

# My snowflake

by Michael

I made a snowflake. as you can see it has a circle around it.

I made this snowflake at coburg north primry school.

First I made the circle.

Then I made the big flower inside it.

It is best snowflake I've made.

And I made it in ICT.

Miss Roerts taught us how to make the snowflake.

My teacher is Anna.

My favrait subgec is ICT.

I made this on wordpad.

I like ICT because you get to do fun things.
